

Messages from our commended workers

Graham and Steph Reed: We want to say 'thank you' to VEC for the lovely surprise we had on return home after my mum's funeral. The flag with the messages was such an encouragement and we now have it hung up in the conservatory where we see it every day. Please would you convey our thanks to all who took time to write messages for us and for all the prayers and support of the fellowship? These last two months have been hard for us as a family and we are so grateful for your prayers.

James and Christina Baldwin say: Dear VEC family, thank you so much for the awesome, massive American flag with your prayers on it. What a cool idea, and a blessing. We were genuinely touched. We love our home church!! After visiting/ speaking in 40+ churches every year, we're consistently encouraged by the class-act at VEC. Praise God! Thank you! James, Christina, Lincoln, Jaslen and ... baby-bump (due Dec 20).

Roger and Yvonne Malstead: Thank you ALL at VEC for the wonderful gift of the Turkish flag with all the kind and lovely comments! Both Yvonne and I deeply appreciate it. We appreciate also the many years of fellowship, friendship and support, both practical and spiritual, through prayer, that you as a body have given us. It is difficult to put into words how much we value and are very grateful for your love in Christ toward us. We'll hang the Turkish flag in my 'office' where I work every day. It was so very thoughtful of you to do this...not sure who's idea it was, but it was a good one. Thank you indeed!
