

Christian Free school Update

Dear prayer supporters,

Many thanks for your prayers over the last few weeks. We have made significant progress since my last email, completing the first draft of our application to the DfE in the week before Christmas, and adding many more signatures to our parents' petition.

The next few weeks promise to be extremely busy for the team as we approach the deadline for our final application to the DfE on February 24th. We are going to be in great need of your prayers throughout this time, specifically for the following:

- Faith, vision and strength for all the **team** members (Bill, Chris, Chrissy, Heidi, James, Jason, Mark and myself).
- The provision of **further team members**, especially those with expertise in the areas of **finance** and **premises**.
- Continuing progress with collecting **signatures** from prospective parents, especially through our school "**roadshows**" at Amherst (24th Jan), Kemsing (25th Jan) and Lady Boswell's (2nd Feb)

In my last email I mentioned the **Prayer Breakfast** which we have planned for **February 4th, 8-9.30 am** at the **Town Church**, Mill Lane, Sevenoaks. I am hoping that many of you will be able to take up this opportunity to find out in much more detail about the prayer needs of this project and, of course, to pray together. A continental breakfast will be served. It would be very helpful for catering purposes if you could let me know (by email, or by phone on 01732 459464) if you are planning to be there.

Many thanks again for your invaluable support! I will be in touch again at the end of January.

Lindsay Griffiths
