

East African Appeal News

We have received this from Compassion after our gift of £23105

Hi there Simon

Really good to finally connect after a couple of months. Apologies for taking so long to properly connect.

Once again on behalf of Compassion UK I wanted to thank you for the donation towards our East Africa appeal from your church. Donations such as these allowed Compassion to respond quickly and thoroughly in the areas where our local Compassion staff identified the greatest need in response to the East Africa crisis.

As discussed on the phone for larger donations we try where possible to link these to specific country proposals called "complimentary interventions". These interventions are produced by our country office so we can be assured we are targeting the areas of highest need within each country affected by this disaster.

The donation from your church was specifically targeted towards a Tanzanian proposal which aimed to provide food security for just under 58,000 people (7800 Compassion Assisted Children). The proposal was shared with Compassion Netherlands and Compassion USA and Compassion UK.

I tried to send the proposal to you by email but the file size was too large so I shall pop one in the post recorded delivery tomorrow to you.

Thank you so much for thinking of Compassion and helping us to continue to release children from poverty in Jesus name. If there is anything else I can do for you, or you have questions regarding the proposal when it arrives then please do not hesitate to get in touch.
