13-17 February 2012

1 Week to launch of Full Steam Ahead.

News from the bridge of Captain McAlistair:

- **Junk modelling materials.** (anything but cereal packets, which should go to Jane Firth) There will be a box for collection in the hallway starting from this Sunday. This is for a 'general' activity in group time.
- Anyone who'd like to cut out some craft this week, please speak up. It would be such a help.
- We have just over 20 children so far and expecting more next week. 30 is our minimum and around 50 the maximum.
- Please pray for meetings next week about craft, drama and administration.
- Info packs are out. Do you have yours?
- Remember, if you're involved, then there's a meeting this coming Saturday (11th) at 8am (!so early!) with breakfast supplied by Sue Baldwin (hooray!). It is important that you are there. If you haven't sorted to come to this, I encourage you to do so now.
- Are there any families you think you could still invite? We have been surprised at some folk who have wanted to come along, because it's for their children. Be encouraged and ask.
- In our assemblies this week, we have been looking at the frightened disciples in the boat as the squall hit it. There were scared fisherman in there that knew the Sea of G. very well, had worked on the water all their lives. But it was different with Jesus. When He had silenced the elements, he looked across at their astonished faces and said, 'Why are you afraid. Don't you have any faith?'. So I'd encourage you not to look to the obvious in the next two weeks, but exercise that faith through prayer, and ask God to give you all you need, and not to count just on your own strength.
