

Christian Free School

Dear Supporter

We have just heard that we have been shortlisted by the Department for Education and will be interviewed on Thursday 3rd May at 2pm. This is obviously very good news, and a significant step in our journey towards opening our proposed school next year.

We can add names to our ePetition right up to the day of the interview, so if you know anyone who has not yet signed up please do encourage them to visit our website.

Churches will be praying for us, and there will be a group of people praying on the day. If you'd like to, please pray as well, the more the better!

Heidi Botting
