

## GLENN'S WEEKLY RECAP

**On Sunday 30<sup>th</sup> September Johnny Douglas spoke to us on Judges 6:1-24**

Over Gideon's lifetime, a coward, a conqueror and ended up a compromiser!

Does God really care about us? v1-13

Does God know what he's doing? v14-24

God wants to enable us...Overcoming our reluctant, our self-doubt and our fears.

1. God sees the best in everyone.
2. Idols are nothing, but they must be gone. Gideon needed to be right with God.  
Gideon needed repentance, just as we do...
3. God is willing to increase our faith! Gideon didn't have much confidence in himself!  
Mighty person of what? And ultimately Gideon didn't have much faith in God!
4. 4.The few that we have can turn into many by God! Gideon didn't have much human help, but ...Gideon needed assurance and to obey.
5. Let God rule your life and not people!
