FAMILY NEWS

Merrie Reynolds has sent through her final update from her time in Uganda, she is now on a well deserved 2 week holiday in South Africa. Please pray that she is able to rest and relax after all her work in Uganda. Please also continue to pray for all of the people that she has met, particularly for Joanita, who has a broken arm and leg after traffic accident. Please pray for healing, for support for her and her family (husband and children including a baby). They need practical and financial help as she continues to recover.

Please pray for Anita who has had a fall and is currently at Pembury Hospital in need of a hip operation. She can't have any visitors as yet. Please pray that she has God's comfort and feels his presence at this time. Please pray that she feels loved and protected by Him and that she feels at peace.
