FAMILY NEWS

Last Sunday we said farewell to Jana Godfrey. Please pray for Jana as she settles in to life in Gloucester. We are thankful for the way she has so faithfully served at VEC over all the years and we pray that she may know God's calling on her life as she embarks on this new chapter.

Please pray for the Contact centre as it takes place again at VEC this coming Sunday afternoon. We are thankful for all the volunteers and pray especially for God's blessing on those families who are using the service.

VEC COMMUNITY

THE GOD PARTICLE

...a play by James Cary - on tour this autumn and coming to Otford Methodist Church on Sunday 04 November at 19:30. [The God Particle](#) is a light-hearted but serious-minded 80-minute play about science and faith. It's deep, smart, and funny. James Cary, is an award-winning sitcom writer for the BBC including being a co-writer of *Miranda*. From 2012-16 the play toured extensively throughout the UK including a full run at the Edinburgh Fringe, as well as performances at the Keswick Convention, Spring Harvest and the

Greenbelt Festival. By popular demand it's on tour again this autumn .

CHURCHES TOGETHER IN SEVENOAKS & DISTRICT

CTSD is merging with NWF (all the North West Fellowship Churches are existing members of CTSD) and they require a new secretary to take office at the AGM on 15 November, as Isobel White is retiring after 9 years. The post could be divided up as follows, if that makes recruitment easier...

Minute secretary | Editor of annual report | Communications officer | Member of small committee to plan calendar of events with Churches.

If you are interested please contact [Isobel](#).

WHAT'S ON...

To see what's going on at VEC this week go to the website and take a look at the [Events Calendar](#). Here you will find out which groups, meetings and activities are taking place along with timings and details.
